Dear Diane,

It has been a lot of fun this year being (together). Well, we have done a lot of things this year. I hope every thing works out for you and Frank or anyone else you love. We have had a ball working at L.A. State (College haven't we? I want to thank you and your mother) for all the help you gave me this summer. Maybe, if I get my car (other) pieces) and get together and get our friendship back and other times. I guess I'm not sure I will always have a sweet girl who lives close to the beach. I hope our friendship will continue for years. Since I moved at the end of the summer and see you and I went to the beach. But it was a lot of fun. We have had some bad times, but when I come and see me during the week, I will appreciate it, because you deserve it. Be good for the summer, and have a ball. Lots of luck and happiness during your senior year and the years to follow.

Love,
Gail Brawley

Dear Diane,
Best of luck to a real sweet gal. Have lots of fun this summer.

Helen Malone

Years of service and dedication to an aim in life, Miss Malone has contributed greatly to the vast field of public education. Her career as a classroom teacher ends this year at Keppel. But her influence will live through all of her students. Miss Malone retries in a glow of satisfaction that her job with the young people of Mark Keppel was filled with warm and friendly feelings. We dedicate this book with humble thanks for a unique and kind person.

Bruce Lawson

Continuous work with the students and faculty of Mark Keppel has placed Bruce Lawson, principal, high on the list of Aztecs. Outstanding work with the California Association of Secondary School Administrators and work with many community organizations occupies part of his crowded schedule. A series of firsts for Keppel have highlighted the full career of our principal. We take this time to honor the work he has done for Keppel's faculty and students.

Dedication

In Recognition

One of the greatest honors awarded to Mark Keppel this year was the privilege of being host to Werner Jorden, our first foreign exchange student.

The American Field Service brought Wern from Frankfurt, Germany, to Alhambra—where he became a member of the Joseph N. Covell family. We are all happy to have had the opportunity to have Wern as a classmate. He has been a credit to Mark Keppel by earning a Varsity letter in Cross Country and maintaining better than average grades.

In his warm and friendly manner, Wern has increased our knowledge of his native Germany by lecturing at club meetings, assemblies, and writing for the "Aztec".

The students of Mark Keppel will always remember Wern, and hope that he enjoyed his stay with us. We extend a warm welcome to him, a sincere thank you to the American Field Service, and our recognition to cultural exchange.

Good-bye, Wern, we hope to see you again soon—be it in Alhambra or in Frankfurt-am-Maine.

"Let's meet this deadline, kids!" These words echo throughout room 224 for nearly eight months. During these months reams of paper are used, scores of lead diminishes and brain power puts out more energy than the whole of Canada!

Our theme throughout is — let's meet this deadline and get out this annual! The staff works long hours —giving up their own time and pleasure in order to produce a successful and distinctive Annual, capable of fulfilling two purposes; one—winning prizes and, two—recalling memories of the past year. We feel this year's Teocalli has met these requirements and we offer it to you—the Student Body of Mark Keppel High School.

Campus Abstracts

The Campus . . . a school with students in brightly colored scarves and shirts running from class to class . . . the grounds . . . the flag rippling in the wind . . . a paragon of learning; Science, English, and Languages . . . a meeting place, a place of social intercourse, a place where one learns to live with others . . . our campus . . .

Geometric designs, such as this, give Mark Keppel its modern appearance.

"Mr. President, I move . . ." Be it a motion to amend the Constitution or sponsor a dance, our Student Council instigated many new methods and activities to create a more enjoyable and better-organized school year. Complying with Robert's Rules of Order, and making important decisions were everyday occurances to your Student Body Officers, and — with apologies to Mr. Lincoln — our Student Government this year was truly one "of the students, by the students, and for the students.

Daily, they met, planned, and worked, not only to solve present problems concerning academic, athletic, and social activities, but to lay a foundation for an even better representation in the years to come.
Working together under Ricardo Quintana, Student Body President, and Mr. Hooks, Cabinet Advisor, the officers themselves put their plans and ideas into action. Why? For you — because you are a most important person to our cabinet.

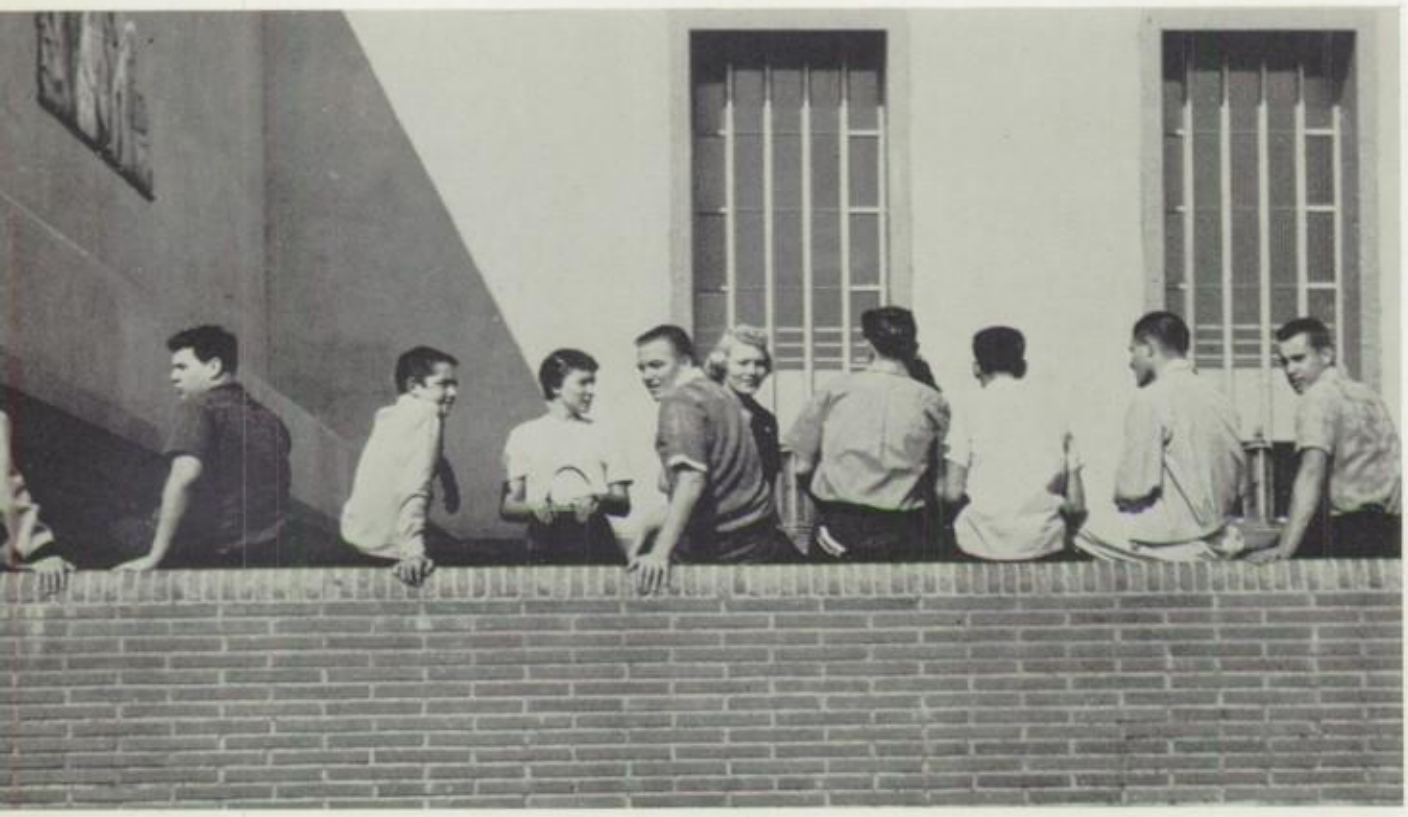
Student Abstracts

A cheery hello is heard again and again throughout the day as students stop to discuss the latest social news, what happened in class today, or an upcoming dance. Personalities and interests are varied, but each student falls into the pattern of a closely knit student body. Each makes Keppel proud of him through his different activities, and each work, play and enjoy their high school years as much as the other.

The most favored period — lunch provides ample time to catch up on all the exciting occurrences.

As you can see, our lunch court is always crowded, but who cares, — the more the merrier.



Just the place for a friendly gathering is our spacious and sunny front porch.

Students happily stand in line at the distribution booth for newspapers, activity cards, class pictures, a ticket to the game — or what do you want?

Diane

I to been fun re newing our friend ship this year of 58-59. Well ~~were~~ big seniors now. I to been a blast in home design bilding those old rothic ~~hoses~~ houses. have fun this summer but don't do any thing I wouldint do see you next year

Junior Abstracts

To a real fine chick who I think (really) is tuff best of luck in the following 3 years. Dennis Leffler

Officers Tom Hammond (President), Barbara Flick (Vice President), Cathy McMakin (Secretary), Linda Wise (Treasurer), and Sharon Morton (Class Committee Chairman), Paul Cipriano (Business Manager), planned the beautiful Junior-Senior Prom on behalf of their class.

Diane, To a real fine girl that I have known and enjoyed these years in my Commercial and personality classes with your personality I should have a real successful summer and many more friends. She best of luck in your future and always your friends, Pat Powell

Mr. Robert Gray, Dr. Elmer Ensz, Mr. Charles Scanlon, Margaret Bishop, superintendent's secretary, Mr. Maurice R. Stokesbury

Administration

The four men who govern the Alhambra School System fall into the category of Superintendents of Schools. Mr. Stokesbury, the head of the department. has the responsibility of directing the district and making the decisions which pertain to the welfare of the students.

His three assistants are equally responsible and efficient persons. The Assitant Superintendent of Personnel, Mr. Robert Gray, employs the many workers under the district. Mr. Charles Scanlon, Assistant Superintendant of Finance, has the complex job of handling funds throughout the school year. The Assistant Superintendent of Curriculum, Dr. Enz, must choose the subjects taught in the schools and the method of teaching.

Board of Education

The members of the Board of Education are responsible for the management, condition and needs of the Alhambra School System.

It is a difficult job, indeed, and the directors toil long hours in order to provide the community with well organized schools.

The directors are building the future generations of America and are building them strongly and securely in the light of education and knowledge.

Mark Keppel's every justifiable want is satisfied by this distinguished body.

The students at Mark Keppel are indeed fortunate in having this present board at their head.

Jerome Fluster, Laurence N. Wolbe, John H. Clay, Willard Hill Clarke, Mrs. Osa M. McAllister, (inset) Dorthy Mather.

Mr. Lawson

The term abstract as a noun denotes a summary or digest of a document.

An abstract is usually obtained by selecting what is essential. Generally speaking, the process of abstraction is usually a process of selection of some part or aspect of a complex entirety.

In the field of art an abstraction is the result of the artist's understanding of the subject.

In this annual, the theme, **Aztec Abstracts,** represents both of these interpretations. The editors have selected what they think is essential to portray school life. They have selected from the many experiences, social and educational, the real meaning of the year 1959 at Mark Keppel.

As an artist they have related these events in the following pages with the color, verve, and excitement of the school year.

Days at Keppel can be filled with the wonderful world of ideas and actions. This is only a part of this volume.

this exciting and enjoyable life made permanent by

Dear,
Thank you for sharing
this year in my classes for
a girl and I wish you happiness
have you in a class next year.
Love & Luck,
Mary Ellen

Miss Arzt

GIRLS' VICE PRINCIPAL

A Chemistry teacher for ten years, and now Girls' Vice Principal, Miss Marion Arzt adds to the already superior faculty at Mark Keppel High School.

During her years here as Vice Principal, hundreds of girls have sought her confidence and have found comfort in her words. The words she speaks must be chosen and delivered with great care. A wrong phrase or sentence may prompt a troubled girl to seek advice from a less qualified source — while the help she could give might solve the teen-age girl's problem. Miss Arzt guides these young girls who come to her, and administers discipline with tact and understanding. She has done her best and it has resulted in well rounded personalities.

Her work is very difficult, but she is rewarded in many ways. Helping to solve the problems of troubled girls is a reward in itself.

Mr. Kemp

BOYS' VICE PRINCIPAL

Mr. Kemp's famous, friendly smile is known to all of the organizations and students who seek his advice throughout the year. (After all, it brought him First Place in the faculty talent show Beauty Contest.)

"I want to see all of you at the game," is a familiar sound, because when speaking to an assembly or to a student personally, Mr. Kemp can always inspire spirit and pride in Mark Keppel.

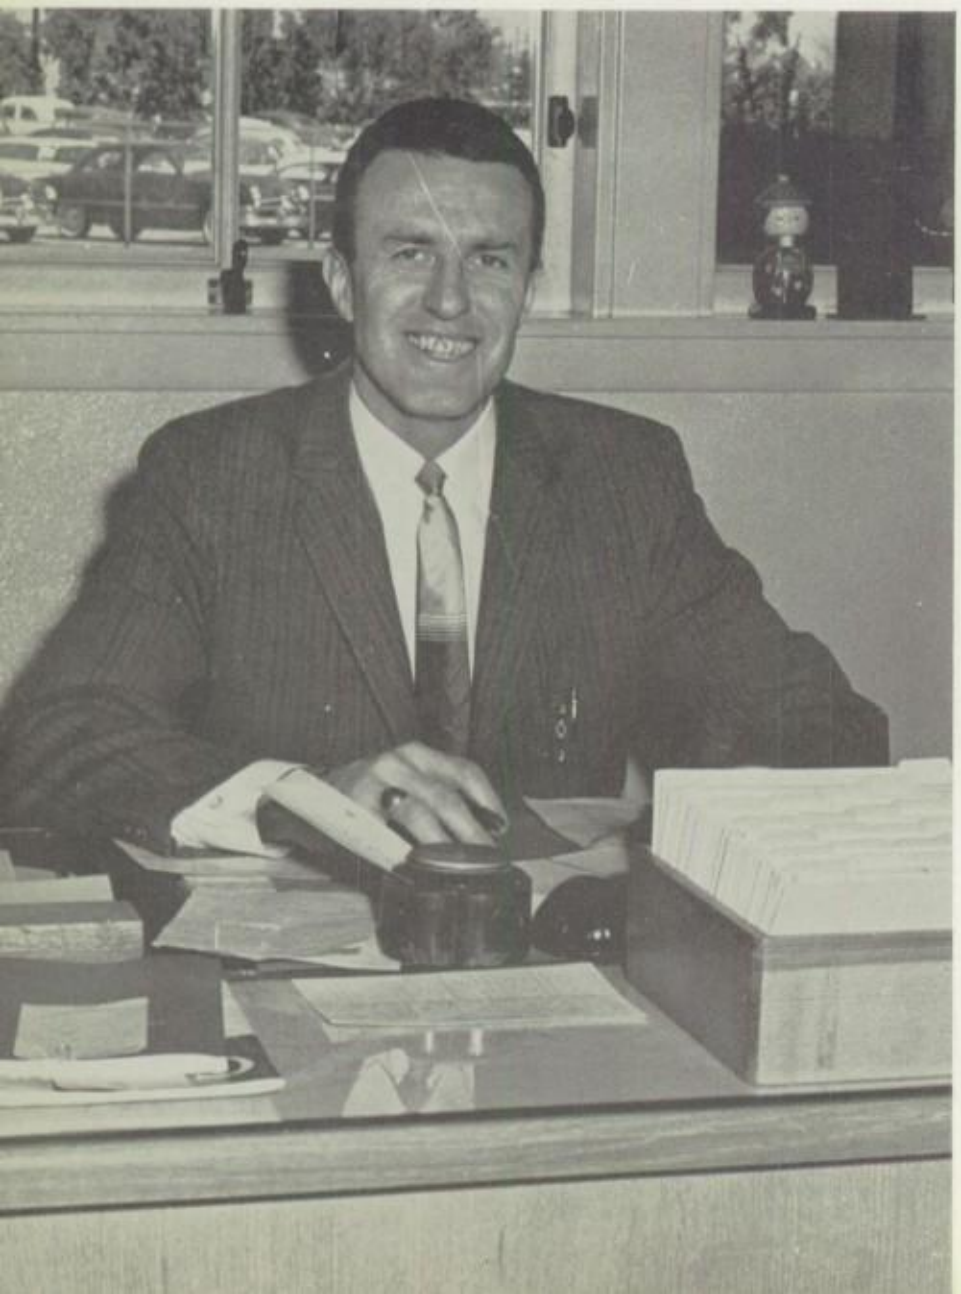
As our Boys' Vice Principal, he strengthens school harmony. He counsels, and works in co-operation with most student organizations and assists Mr. Lawson in every way possible. When daily problems arise, Mr. Kemp is amicable and always finds time to listen with sympathy. His decisions are made with fairness and care.

Mr. Kemp shows us his confidence in many ways — his pride in the school by appearing at all events and rooting for Keppel along with the students.

He has shown again and again that his sincerest interest is in the students' welfare, present and future.

Mrs. Bennett

In the spring of '58, Mrs. Dorothy Bennett was first introduced to the class which she will counsel through their years at Keppel. She helped them last year and this to schedule their classes for the following year. Besides answering the many questions of her class during their important freshman year, Mrs. Bennett helped to initiate the Senior Honor Society and was instrumental in setting up scholarship programs.



Mr. Freeman

Mr. Freeman, tenth year counselor will soon enter into the position of an "upper classman".

Now the freshmen of last year have gained a new maturity and his duties increase while his worries lessen.

Of course the never ending problem of schedules and subjects are still with him, but the confusion and difficulties are not so intense. He has helped his students to become familiar with Mark Keppel and her subjects.

But, as in every case, as some problems subside, others arise. He will meet these as they come, and send his students into the world fully prepared for the difficulties they may meet there.

Miss Busher

The 12th year counselor, Miss Busher, has, this year, the most difficult job of all.

She is concerned with graduating seniors—students that are now embarking on careers or entering colleges.

The many things that associate themselves with the life of a senior, associate themselves with her. She has worked hard for four years to reach this goal—and now it has arrived. Her class of '59 will never forget her.

Mr. Anderson

Mr. Anderson, the 11th year counselor, was especially busy this year. The class, under his guidance, received much attention and time.

Subjects for their 12th year must be chosen with care, for a right choice may lead to a successful and fullfilling life.

Then college too is an important decision for many juniors to make. Which college to go to is the major question. The right college for the right person is essential to the well-being of all concerned.

Mr. Anderson is doing a highly successful job. The juniors appreciate his understanding and his advice and have become better students for the asking. He is doing his best to help to make his "class" a credit to themselves and their school.

By keeping in touch with various church and community welfare organizations, and by personal counseling, Mr. Bisetti has helped many students in their years at Keppel.

Another function of the Child Welfare office is to issue work permits. Mr. Bisetti is also in charge of the Attendance Office.

"Come-on and hear, come-on and hear, it's the best band in the land." Although this was written for Alexander and his Ragtime Band, it applies to our Band as well. Whether on the march or playing up a "storm of a concert" the Band is always at its best.

1959 saw the arrival of something which was definitely not abstract—new uniforms. These made it possible for the Aztec Band to look as brilliant as they sound. The uniforms made their debut in the 1959 Rose Parade.

Although music "hath charms to soothe" the Band calendar in no way shows a lack of activity. It reads something like this: October-November—football games; December—Winter concert, new uniforms, practice for Rose Parade; January—Rose Parade, basketball games; February—basketball games, P.C.C. Military Ball, All California High School Band and Orchestra (Ed Calhoon, Bud Deal, and Malcolm McNab), Camellia parade; March—Pep Squad tryouts, Southern California School Band and Orchestra Association festival; April—Band Boosters' Dance, assembly for Garvey; May—assembly for Repetto, Band party, Band Council party, Monrovia Days parade, Hi Neighbor parade, Band concert; June—concert for community, graduation.

Besides this there are numerous assemblies, rallies, and practices.

The members consider it an honor to be able to hold membership in this organization and are proud to represent Mark Keppel.

This year's Band Council consisted of: Sandy Shliff, Band manager; Sharon Johnston and Gloria Wallace, Secretaries; Margie Ulloa, Drum Major; Nancy Humble, Assistant Drum Major; Ginny Bers, Publicity chairman; John Whipple, Uniform manager; John Sandoval and Bill Tinsman, Equipment managers; Carolyn Chaille and Pat Todd, Librarians; Rita Saye, Treasurer.

National Forensic League

The National Forensic League is an honorary society whose membership is limited to those who excel in public speaking. This organization has achieved distinction in all phases of forensic activity through the constant efforts of its members to establish and maintain an outstanding record.

N.F.L. members represent Mark Keppel at speech tournaments throughout the state in events such as debate, extemporaneous speaking and oratory. They participate in the annual Student Congress sponsored by the Southern California Debate League, and also take part in oratorical competition in the community. The National Forensic League is, indeed, one of the most important of our goodwill ambassadors, and has won much recognition for Mark Keppel.

Debate Team

The challenge of stimulating argumentation is met by the capable members of the Mark Keppel Debate Team. In competition throughout Southern California these interscholastic orators have distinguished themselves in all fields of public speaking. Our Debate Team has gained a better understanding of international problems in debating the British educational system, and topics for other events have proved equally enlightening. The many hours devoted to preparation by Keppel's debaters have been well rewarded; their time and efforts were well-spent.

Pep Squad

The month of March brings more than winds . . . it brings anticipation and expectation. The months of practice now will tell — the pep squad try-outs are on!
The major function of the pep squad is to inspire enthusiasm and pride in the school and campus. They raise spirits when hopes are low, leading the Aztecs to make that extra point or goal shot.
Let's all give fifteen rahs for the Aztec Pep Squad . . . rah . . . rah!

Galaxys

Among the many new features of the 1958-1959 campus is the dance band, best known as the Galaxys.

Performing for dances, assemblies, and off-campus activities, keeps these musicians active in the music world.

Jr. Red Cross

Affiliated with the National and local Red Cross is the Junior Red Cross of Mark Keppel. These members work during the year to raise money for the needy of the world. They were in charge of the traditional Christmas gift giving program, and held a fund raising campaign in which the entire student body participated.

Representative Council

Serving as moderator for the students and the Cabinet, the Representative Council helps to solve the many troubling difficulties of the campus.

The problems received from the students are thoroughly discussed and every aspect is carefully investigated. When a final decision is reached by the Council, it is delivered to the Cabinet through the Speaker of the Representative Council; this year—Jeannie Trembley. This decision is always unbiased, fair, and the result of wisely used time.

Each member of the council is carefully selected in order to provide the students with an efficient body of legislators and to provide a truly democratic form of student government. In this way, no complaint of the student is overlooked, and the government is placed in the hands of the students themselves.

The job is a difficult one, but the benefits reaped are manifold.

Front row: Jim Danziger, Sharon Jones, Pat Froehle, Jeannie Trembley, Speaker of the Representative Council, Eddie Lackey. Back row: Wayne Martin, Sandy Block, Sharon Deaton, Tommy Hammond, Barbara Flick, Ruby Batchelder, Paul Cipriano, Jim Herbert.

The Representative Council, newly organized last year, serves the student body as a liason between the students and the Cabinet. The members of the Council voice the views of students—thus closing the gap between the Legislators and those affected by their decisions.

"You can't take it with you"

Tensions fills the air in a moment of "truth" in the Fall play "You Can't Take It With You."

The Play's the Thing to get worried about. Make-up plays an important part in all dramatic productions.

On November 12th, 13th, and 15th, Keppel The pians presented Moss Hart and George S. Kaufman comedy hit "You Can't Take It With You". Laught was evoked by the strangely lovable Sycamore Fan ily and their action-creating peculiarities. On the s appeared every conceivable ingredient for a rio ously entertaining play, from Grandpa's pet snak and Father's exploding firecrackers to tubas, ball dancer, and "G-Men". Combine a love story, Gran pa's income tax evasion, and Penny Sycamore's pla writing (she hires actors to perform her plays) an you have an idea of the problems the family had overcome. The able directing by Miss Jewel Bridg helps to explain the appreciative ovation which r sounded from the auditorium as the cast bowed co fidently. Musical interludes by the Senior Orchest supplemented the evening's enjoyment. Congratul tions to the cast of 'You Can't Take It With You!'

Homecoming
1958

The queen of our Homecoming, Helene Riccobono, was crowned amid shouts and cheers during the halftime of the Arcadia-Keppel game.
The lovely court was selected by the Varsity football team, but the queen herself was chosen through the votes of the entire student body.
The sparkling crown was placed on her head by Mr. Bruce Lawson on the Aztec gridiron while the Band formed a heart symbolic of "our sweetheart", and the card section formed a maroon and white crown.
Later in the star-studded evening the lovely court reigned in full regalia over a colorful ball in the boys' gym.

Senior Skating Party

The senior skating parties, held at the Shamrock Roller Rink, were highly successful. Sponsored by the senior class to raise money, the parties proved to be fun for all concerned.

"Daisy, Daisy give me your answer true—" who will be the winner? These sprightly lassies donned bloomers and bonnets to be voted upon for honors. Winner — Marie Zamora.
The barbershop quartet minus one could be seen strolling through the halls with handlebar moustaches and combs. Shave and a hair-cut?
Bikes were parked in the parking lot, by the fence with care in hopes that the races soon would be there. All who witnessed this finale should remember the race and the spirit of the day. ". . . . you'll look sweet upon the seat of a bicycle built for two."

Christmas Concert

Again this year our Christmas season at Mark Keppel was high-lighted by a beautiful and inspiring concert of Christmas music sung by the A Cappella Choir.

The familiar Christmas tree of Choir members decorated with fluorescent ornaments, candles, and evergreen resounded with traditional carols of Noel, climaxed with the singing of Handel's "Hallelujah Chorus."

As glittering snowflakes gracefully descended upon the living tree, the auditorium was transformed into a fantasy of winter dreams. Keppel's Christmas gift to the community was gratefully received. In the sacred magnificence of the program which Mr. Beanes and his group had worked so hard to present, the true spirit of Christmas was once more revived in the hearts of all who attended.

Tri - School Dance

A place to meet the friends from all parts of the district.

One of the biggest social events o the year was the annual Tri-Scho Dance, sponsored jointly by the Cab inet of Mark Keppel and the Com missions of Alhambra and San Ga briel High Schools. Held at the Glen dale Civic Auditorium on Januar 31, 1959, the dance with the them of Snowball was very well receive by the many students attending. Th decorations, over $1000 worth, cer tainly helped to create and maintai an atmosphere of light-heartedne and carefree enjoyment for all pres ent.

A dreamy sequence that brings back the memory of a violet time.

A brilliant flash of color and swell of music. A moment of relaxation in the big dance.

One-two-three-four. Then shift the weight on the other foot.

Diane —

Well another year is almost over, only 1½ more days really. We have had a lot of fun in gym and I hope next year we can have a lot more. Just think we will be Big Seniors and almost out of school. Have a fabulous summer and I will see you next year. Best of luck always,

Diane —

See, this year sure has flown by fast. It was a blast taking with you in gym and Hall too! We should be graduated, huh? Good luck this summer and all the rest of your years. You a sweet friend and you deserve the best. I'll always remember the Taller Am Mess, but that will all be over soon. See you next year, or maybe this summer —

Betty Reyes.

Dear Diane,

Im glad we met this year, and hope our friendship grows with the years.

Have fun this summer, next year, and years to come.

Good luck, see you next year.

May God go with you. A friend always,

Hardwood Hop

On February 13th, after the Arcadia-Keppel basketball game, the Sophomore class sponsored the annual Valentine "Hardwood Hop". Red and white decorations transformed the cafeteria into a Valentine dreamworld. Ecstatic dancers swayed to the rhythmic notes of our own Keppel dance band, "The Galaxys", until midnight. Queen Jackie Cypert, surrounded by her four excited princesses; Linda Harris, Sharon Jones, Merrie Rea, and Joan Sorenson made a lovely picture. It was an evening of tension and surprises for the court who will long cherish their red and white nosegays.

The Galaxys, Keppel's own Dance Band, provided dancing enjoyment for all, as can easily be seen.

Keppel students thoroughly enjoyed themselves as they danced and laughed among the red and white Valentine decorations.

"Desk Set"

The play "Desk Set" takes place in the New York offices of the International Broadcasting Company. The plot is the hilarious account of the personnel in an office that are threatened with the loss of their jobs when an Emerac machine is installed.

The action covers a period of two months in which many exciting events occur. Emmy, the Brain turns the peaceful office into pure havoc.

The ending of the play is quite good. Peace is restored in the office and all jobs were retained — even though they weren't going to be lost in the first place.

"Do you mind if I say something pussonel?"

"I'm Mr. Azae's secretaries' secretary, and that makes us kissing cousins. Wouldn't you like to kiss your cousin?"

"Well, what term do you apply to me?" Bunny asked anxiously. "Freak!" Mr. Summers snaps.

"Quick! What'll I tell him??"

GLENDALE

Glendale Hoover was the first game of the 1958 football season. Keppel got off to a slow start with a half time score of 7-0 in favor of the Tornadoes. The end of the game saw the Aztecs on the short end of a 9-7 score. Aztec of the Week was Dean Rogers.

LA PUENTE

This year was the first season that we played the La Puente Warriors. Although the game was filled with excitement, and each team got within inches of the goal line, neither side was successful in scoring, and at the sound of the gun the score remained 0-0. The efforts of Frank Poppie won him the honor of Aztec of the Week.

SAN GABRIEL

Our first victory of the season was scored over the San Gabriel Matadors. Our touchdown was made from the Matador 18 yard line by Bill Garcia, and Tommy Hammond kicked for, and made, the extra point. As the final gun shot sounded, the score still stood at 7-0 in favor of Keppel, and for the third straight year the Matador hatchet remained in the Aztec trophy case, thus signifying the victory of the Aztecs. Aztec of the Week—Al Ferris.

ROSEMEAD

The Mark Keppel Aztecs won their second straight game of the 1958 season in the final practice scramble against the Rosemead Panthers. Both Jack Lowery and Bill Garcia made touchdowns and at the half the score stood at 18-0. In the second half the Panthers broke through for their only TD. Keppel continued with their scoring drive, and the end of the game saw the Aztecs on top of 39-14 final score. Bill Garcia was Aztec of the Week.

EL MONTE

After a two game winning streak, the Aztecs faced the powerful El Monte Lions in the first league tilt of the season. Throughout the muddy game the Lions continued swimming over the water-logged Aztecs on what looked more like a swimming pool than a football field. At the half the Lions had rolled up 21 points, and by the final click of the clock had gathered 34 points against the scoreless Aztecs. Through his consistent efforts to halt the Lions, Jack Lowery gained the honor of Aztec of the Week.

ALHAMBRA

By the time the ball was ready to be kicked for the start of the annual Keppel-Alhambra tilt, a crowd of over eight thousand fans gathered to cheer the teams on to victory. As each school entered their fourth league game, they were without a win, and each was battling to see that the other was put in the cellar. The Moors had the luck of scoring the first points in the top half, and the Aztecs trailed on the 7-0 first half total. In the third quarter, Keppel took possession of the ball on their own 26, as AHS was forced to punt. The determined Aztecs refused to stop until they had moved the ball against the goal line for the first Aztec score. The Aztecs again got moving in the fourth quarter and made another score, putting them in front of the Moors 13-7. The Moors quickly retaliated by putting the ball over the line, making the game a 13-13 tie. Thus ended the Keppel-Alhambra tilt in the third tie of the twenty year rivalry. Aztec of the Week was Paul Baldwin, who made both touchdowns.

MONROVIA

After a first quarter lead by fast running Monrovia Wildcats, Keppel came to life upon realizing that 12 points had been tallied against them. Keppel went to work after a 40 yard Aztec pass, but failed to grab the extra point. At the half the score was 19-6 and the Wildcats continued adding to their lead against the injury-stricken Aztec squad. Bill Stewart was named Aztec of the Week for the game that ended in a score of 40-6 in favor of Monrovia.

ARCADIA

In the annual war between the Indians, the Apaches of Arcadia got off to a good start and began their scoring plays in the first quarter. They again toppled the Aztecs for a score in the second quarter, and the score at halftime was 18-0. In the second half the Aztecs completed a pass for their first 7 points. As the clock showed less than two minutes to play the Keppel squad tumbled over the goal line for their second 7 points. The game ended with the Apaches winning their first victory over the Aztecs with a 37-14 score. The Aztec of the Week was Allen Palmer.

WHITTIER

For the final pigskin challenge of the 1958 season, the Mark Keppel Aztecs faced the Whittier Cardinals with no league wins on their record. After a slow start, the Aztecs got moving and by the half had 7 points to their credit. Continuing the procedure in the second quarter, the Aztecs turned an intercepted pass and 75 yard dash into 6 more points for a 13-0 lead until the Cards made a touchdown in the last seconds just before the end of the first half. In the fourth quarter, Whittier scored 7 more points to tie up the game. Both teams battled on to gain an advantage and Whittier was successful in breaking through for another 7 points, and the game ended with the Aztecs on the bottom of the 20-13 score. Aztec of the Week was Dean Rogers.

G. A. A.

One of Keppel's largest organizations for girls is the Girl's Athletic Association. Its members participate in after-school sports activities, playing tennis, basketball, hockey, and softball, to name a few. Practicing good sportsmanship at play days with girls like themselves from other schools, G.A.A. girls learn the spirit of co-operation and rivalry. This organization lends support to football season pep by selling maroon and white pom-poms made by the members themselves.

When a member receives her G.A.A. athletic letter, she rightfully wears it proudly, for it represents physical fitness and well-developed skills.

Usher

Our student body is grateful to the students who have volunteered their extra time this year, and served as ushers at such events at P.T.A. meetings, "You Can't Take It With You", the Christmas program, and most evening functions in our Auditorium. Mr. Van Velkinburgs leadership has been invaluable in training these hosts and hostesses of Mark Keppel, who create a favorable impression which is so important to us all.

Top row: Mr. Van Velkinburg, Harold Buck, Ray Stupin, Tom Curry, Bob Winkler, Lynn Winkler, Nick Treantefelles. Bottom row: Abby Brown, Cathryn Crowder, Janice Foss, Chris Flores, Libby De Groot.

Back row: Ted Sherman, Douglas Moore, Louise Rizzi, Mike Woolman, Jim Kane. Front row: Gary Sterling, Sue Puglisi, Ron Steers, Jim Skidmore.

Latin

Latin—the tongue of ancient Rome and the medieval church; the father of the modern languages. But oh! the intricacies of a conjunction and the placement of a word in a sentence!

Students participating in the Latin club are beginning their study of this ancient and beautiful culture. Through the Latin club they are learning more and more of the people who spoke this language.

Their advisor, Mrs. Sanders, helps them to overcome the many difficulties that the student may encounter.

French

Subjunctives, nominatives, and accents grave have nothing to do with the French Club, but these students do use their language class as a common interest and a way to make new friends.

Learning about the people and costumes of "La Belle France" is fun when you go to French restaurants, or represent your club in your French costumes.

Although the agenda has a French flavor, these linguistic students do find time for good old American picnics, barbeques or baseball games. French anyone? Naturellement—but of course.

Top row: Bill Tinsman, Sally Shliff, Nancy Woods, Dr. Hanson, advisor; Nancy Berkemeyer, Sandy Shliff, Shirley Holden, Carol Humble, Ann Vergho. Middle row: Dave Kahn, Gary Sterling, Ed Calhoon, Maxine Van Horn, Evalin Zuckerman, Pat Haley. Bottom center: Nancy Humble, President.

Back row: Richard Cole, Bill Tinsman, Richard Eaton, Naaron Neelands, Gary Self, Larry Guerrero. Front row: John Thompson, Martin Dockstader, Jim Gordon.

A. R. C. S.

The purpose of this organization, as described by one of its members, is to prepare members to become amateur radio operators, or "hams". This goal is achieved by code practice, study of the theory of electronics, and radio operating practices at the school's own radio station. The advisor to the group is Mr. Kaplan.

From left to right: Mr. Brown, Carol Humble, Pat Haley, Ann Vergho, Marylynn Van Camp, Sandy Shliff, Glenda Bogart, Suzy Dauphine, Earl (E.E.) Sickler.

Frof left to right: Sandy Shliff, Carol Humble, E. E. Sickler, Glenda Bogart, Nancy Humble, Sally Shliff.

From left to right: Kay Ware, Ann Haskell, Joyce Glover, Joyce Buonauro, Delpha Hacker, Judy Smith.

Beanbaggers of America

This year's beanbag squad proved to be the greatest in Keppel's history. With dauntless courage and unlimited vigor they drove on to capture 1st place in the Navy Bean Bowl playoff.

The exciting season was highlighted by many momentous events as when one player mistook a referee in a striped shirt for a beanbag and threw him 29 yards for a grand slam point plopper. But this marvelous team wasn't developed overnight . . . . Coach Brown with his superior training program and 8' bullwhip made them work, work, work. Two hours every day, before and after school, they sat around throwing the bag. He gave them a strict diet of nothing but Rice Krispies with yogurt, prunes, and sulfured molasses. They also had a list of tough daily exercises, such as getting up in the morning. In many cases the training program was so strenuous that several players had to omit their academic activities entirely, but it must be remembered that it was for the good of the team.

Literary Society

The literary life of our school centers around the staff of our literary magazine, "Idea". The talent which so many unsuspecting students possess blossoms forth in the form of an essay, a poem, or a short story. "Idea" is available to all for reading, and we have reason to be proud of the recognition it has received for its attractive layouts and covers. Congratulations to its co-editors for giving us a collection of fine reading, and to the staff whose contributions aided the two poets laureate.

Radio

"The play is the thing!"—not only to Shakespears, but to the members of Radio Club as well. These students, who are interested in drama, turn their talents to writing, directing, and presenting radio plays. They attend performances given by professionals, and learn more about their common interest. This organization helps to round out the participating student's knowledge and experience in the vast field of drama.

Future Nurses

Back row: left to right: Mrs. Cassle, advisor; Janet Wilkens, Charlene Comment, Adelaide Sorensen, Chris Flores, Suzy Owens, Bonnie Palmer, Libby DeGroot. Front row: Rita Craig, Faye Bell, Darlene Lashbrook, Dianne Lashbrook, Anita Lundt, Pat Raymond, Lorna Ringen.

Science and Math

An unusually busy year has been enjoyed by this group, who work to stimulate interest and activity in the higher sciences and in mathematics. Several of the members represented Mark Keppel at Occidental College's Mathematics Field Day. A striking display in the Showcase in the main hall was presented by the club in December. Their large membership has participated in many science excursions, which contribute to making them well-informed citizens in this atomic age.

Standing: Ann Vergho, Nancy Humble, Dick Ashton, Bill Padgett, Duane Martin, Wayne Martin, John Anhalt, Gary Sterling, Stan Nasitka, Dave Kahn, Art Fine, Roger Cude, Bill Tinsman, Carol Humble, Sandy Shliff. Front row: Lenora Peel, Marylynn Van Camp, Sally Shliff, Pat Haley, Shirley Seip, Glenda Bogart.

Future Teachers

Students in F.T.A. are looking forward to the day when they will be able to set their own course — and teach a course in one or several of many fields. The club enables them to determine this field and also answer the all important question, "Is teaching right for **me?"** The need for efficiently trained instructors in America's schools is urgent. The members are working and hoping to become civic-minded citizens and to help America solve this important problem. The education of future generations is in your hands, Future Teachers!

Front row: Judy Sanders, Rosalie Miranda, Shirley Ritter, Joanna De Young, Jeannie Trembley, Nancy Cox, Connie Olson. Second row: Colleen Brenholt, Mary Jo Alleman, Glenda Bogart, Lenora Peel, Karen Andrews, Joni Newquist, Carol Makela, Marie Tremble, Frank Chocco. Third row: Miss Hager, advisor; Carol Bancroft, Jackie Bancroft, Virginia Lucero, Louise Rizzi, Delores Jones, Nadine Kaufman. Top row: Liesel Grosser, Judy Hirth, Linda Raffarin, Darlene Laurence, Lettie Belcastro, Michael Griswold, Marianne Colt.

One of the first clubs on campus, the Future Teachers is dedicated to the profession of teaching. They visit schools and classes and discuss the methods and procedures of teaching. Our American schools are important in our democratic society. Future Teachers plan and study the profession in which they are interested.

Under the direction of Mrs. Castle, the school nurse, the Future Nurses have had a big year. Their first activity of volunteering their services to the Huntington Memorial Hospital was an outstanding success. At the Hospital, they learned the many duties of nurses and gained their knowledge through assisting the nurses.

Varsity

Standing: Richard Ashton, Al Ferris, Wendell Peters, Bill Gomez, Randy North, Ronald Kessler, Don Moore, Bill Keehn, Roger Anderson, Bud Bass, Wern Jorden. Middle row: Jim Balsz, Alan Boren, Bill Reigal, Bill Garcia, Bert Shirk, Paul Brady, Bill Stewart, Alan Palmer, Jack Lowrey, Richard Drutman, Don Garris. Bottom row: Roger Cude, Ellis Haskell, Taylor Earl, Jerry Husband, George Jessup, John Caskey, Dean Rogers, Ron Michel, Ron Swindell, Dick Alkema, Dave Stewart.

Light and Shadow is an organization dedicated to furthering the highest ideals of one of the oldest professions known to man—the theatre.
Those in Light and Shadow devote themselves to the task of helping to advance these ideals at Mark Keppel.
It is open to Juniors and Seniors who are selected through their acting ability and participation in events such as plays and pageants.
The members of Light and Shadow keep faith with those who have gone before; they must keep forever growing, the torch of drama so thus ignited over two thousand five hundred years ago.

Light and Shadow

Standing: Delpha Hacker, Gordon Adams, Charlene Barsony, Nancy Duvall, Larry Lindelof. Sitting: Sandy Moore, Carol Carter, Gary Sterling, Barbara Montemorono.

Front row: Barbara Dunn, Lorna Ringen, Mary Jo Alleman, Sally Shliff, Glenda Bogart, Nancy Woods. Back row: Mr. McCafferty, Alan Boren, Ed Calhoon, Richard Drutman, Foster Hirsch, Steve Nelson, Bill Padgett.

Junior Exchange

Remember the beautiful decorations of the first Backwards Dance, the "Hawaiian Holiday"? The decorating for that dance was only one of the many activities of the Junior Exchange. Helping to support school spirit, and keep community relations at an even, high level are just two of their main goals. This club is composed of some of the more active boys on our campus, and their advisors have done a fine job of leading them.

Mr. Rini, Advisor; Don Moore, Ronnie Grant, Dorice Peeters, George Ponders, Stan Nasitka, Donna Anderson, Gary Self, Dennis Essler, Sonja Browning, Jim Ellington, Bill Keehn.

Junior Statesmen

"Make democracy work" is the motto of Junior Statesmen of America. They make use of the functions of the legislative branch of our government by proposing, debating, and voting on model pieces of legislation. These members, along with other Junior Statesmen from coast to coast, have an active interest in the inner workings of our government.

Front row: Alan Palmer, Mike Pilcher, Dean Rogers, Randy North, Roger Anderson, Bill Gomez, Bill Stewart. Middle row: Lloyd Almand, Cary Brody, Bert Shirk, Bill Garcia, Eddie Lackey, Dwight Anderson, Paul Brady. Top row: Norton Primack, John Jordan, Ken Kahn, Chuck Powell, Dick Hobson, Rod Primack, Tom Hammond

Projectionists of America

Lights out! Cameras roll! The Projectionists of America are on the scene to further the students' enjoyment of the school day. Theirs is the difficult job, threading film, running propectors and seeing that the movie is running smoothly along. The club, under the guidance of Mr. Rini, is providing its members with an interesting pastime and presenting an opportunity for future employment.

Key Club

Among the campus abstracts are the members of Key Club. This club performs many services for our school such as ringing morning bells, decorating for dances, and many other activities. This service club should be thanked for their help.

Back row: Pete Troger, Lawrey Covell, Harold Alleman, Richard Augers, Myron Howard, Bill Stitts. Front row: Jerry McGough, Bruce Hooker, Frank Poppie, Tom Curry, Don Moberly.

Spanish Club

Enthusiastically, the members of the Spanish Club proved that learning a foreign language can broaden interests and friendships. Alvera Street was one of the places the club visited in order to learn more about the Spanish way of life. The club gives its members an opportunity to share and enjoy their aquirances of the beautiful romance language.

Left to right, row 1: Sally McComb, Linda Westling, Judy Baumann, Eleanor Hudson, Lettie Belcastro, Carolyn Lewis, Jill Vergho, Brenda Lintern. Row 2: Sheila Green, Donna Anderson, Marie Campanella, Judy Monsen, Beryl Walker, Jo Ann Husband, Steve Laing. Row 3: Dr. Hanson, Barbara Walzer, Alan Boren, Larry Bufton, Richard Harrison, Fred Stanton, Bob Newport. Row 4: Richard Covey, John Rogers, Randy Brocoto.

Swan Song

Open letter to the Student Body of Mark Keppel:

As you look through your 1959 Teocalli, you may wonder why the theme "Aztec Abstracts" was chosen and how it fits into your everyday school life. We' the staff and I, defined abstract as "vague, misty, but yet concise". Then our task was to shape this theme into a workable idea. We decided that the abstracts would be all the parts of the book — the classes, clubs, administration, sports, and social events — in short, the high points of the year. Then the book as a whole would bind these abstracts together and bring them all into clear focus, presenting a memory-filled picture of 1958-1959 school life, and, with this, our purpose has been achieved.

There are so many people I'd rather like to thank for their co-operation and help: Mr. Phil Charis for his beautiful Senior pictures and his willingness to help us out in other sections of Teocalli; Ann Vergho and Sandy Shliff who both stayed late many nights to help me and who were always there when needed; Carol and Nancy Humble who were both so ready and willing to write copy; my very understanding parents; and especially my most wonderful advisor, Mr. Ted Kilman. And that doesn't even begin to include the many other people, staff and advisors, who generously contributed their time and energy to make this year's Teocalli the success that it is.

In concluding this Swan Song, I'd like to say that it has been a pleasure, a privilege, and several nervous breakdowns (one for each of the deadlines) to serve you as Editor of the Teocalli. Seriously, I want to thank everyone here at Keppel for giving me the opportunity of being Secretary of Literature on Cabinet this year. There are so many things to learn and new ideas to be found in producing a yearbook that it's hard to say anything but — thank you all so very much!

Have a fabulous summer, and I'll see you next year . . .

Marylynn Van Camp
Secretary of Literature — 1958-59

Diane
It really has been fun knowing you this year and I hope we can get a class together next year. Lots of luck in your Senior year.

Lee

Dear Diane,
I'm in a hurry but I must tell you how much I enjoyed your company this year. I'm sorry we didn't get together more often but I'll see you next year. Have a swell summer and don't work too hard.

Love,
Sandy

Dear Diane,
Like always, I'm too much of a coward to tell you how much I enjoyed your friendship this year. I'll see you next year. I don't think I'll have much time this summer but I'll try to write you a letter. Have a swell summer and don't work too hard.

Love,
Sandy

Diane,

Have a nice summer. Don't work right all the time. Hope you have a class trip. Maybe we can have a class party. Anyway have a good summer. Enjoy your graduation party. Hope you have lots of fun. Keep your head up. Stay cool. Love ya,

Sandy Farmer

Dear Diane,
It seems like
I've been Knowing
this you for
that next year we'll be
closer friends. Have fun this summer,
Love Always

I wish you
especially happiness
and lots of luck to
another year at Rippon. Do it
but study hard enough to make it

Always your good friend
